## Celebrating 12 years of Department of IPE

It is a great pleasure for Association of Industrial & Production Engineering (AIPE), Rajshahi University of Engineering & Technology (RUET) to inform all that the department is going to celebrate its 12 years of establishment on 22<sup>nd</sup> instant. Honorable Vice-Chancellor of RUET Prof. Dr. Mohd. Rafiqul Alam Beg will be the chief guest of the program. Prof. Dr. Md. Mosharraf Hossain, Head of the Department of Industrial & Production Engineering (IPE) will remain present as the president of the program along with Prof. Dr. N.H.M Kamrujjaman Serker, Director (Students Welfare); Prof. Dr. Nirendra Nath Mustafi, Dean, Faculty of Mechanical Engineering; and Prof. Dr. Md. Shamim Akhter, Professor, Department of Mechanical Engineering, RUET as special guests.

There will be several events throughout the day starting with inauguration ceremony followed by freshers' reception, seminars, career talk, graduate recruitment etc. In the evening, there will be cultural night presented by the students of the department. Graduates of the department are expected to join the celebration and relive the precious golden moments they passed in their alma mater.
