

Details about Lecturers

Md. Anisul Islam

Msc (Engg.) (ongoing)
Materials and Metallurgical Engineering (BUET)
BSc (Engg.) Materials and Metallurgical Engineering (BUET)

Research interest:

Thin Film Technology, Interconnect Materials, Corrosion Engineering and Failure of Materials, Magnetic Materials

Maliha Rahman

Msc (Engg.) (ongoing)
Materials and Metallurgical Engineering (BUET)
BSc (Engg.) Materials and Metallurgical Engineering (BUET)

Research Interest:

Polymer, Biomedical Applications of Biopolymers, Composites, Biomaterials, Advanced Ceramics

Email Address: maliha@mse.ruet.ac.bd,
maliha.mme@gmail.com

Ayeman Mazdi Nahin

Msc (Engg.) (ongoing)
Materials and Metallurgical Engineering (BUET)
BSc (Engg.) Materials and Metallurgical Engineering (BUET)

Research Interest:

Advanced Ceramics, Biomaterials, Application of Computer Simulation in Materials Engineering

Email Address: ayeman@mse.ruet.ac.bd
ayemanmazdinahin@gmail.com

Asrafuzzaman

Msc (Engg.) (ongoing)
Materials and Metallurgical Engineering (BUET)
BSc (Engg.) Materials and Metallurgical Engineering (BUET)

Research Interests:

Corrosion Engineering, Additive Manufacturing, Surface Engineering, Metal Joining Process, Composites, Nanomaterials, and Biomimetic Materials.

Email Address: asrafuzzaman@mse.ruet.ac.bd ;
asrafuzzaman.buet09@gmail.com
