

# User Manual for Eduroam Connection

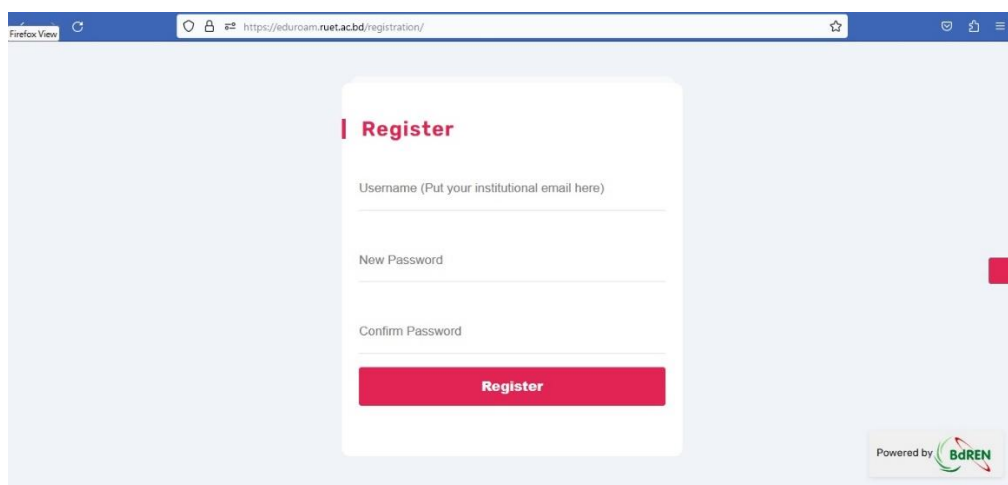

## For Mobile Phones

Steps:

1. Please go to the following link and click on the first option:  
<https://eduroam.ruet.ac.bd/>

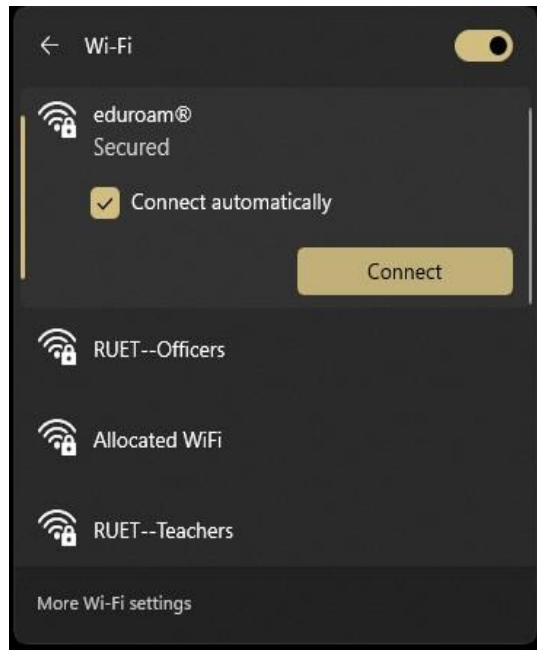

2. Registration page will appear. Provide your **institutional email ID** and a secured password to get registered.

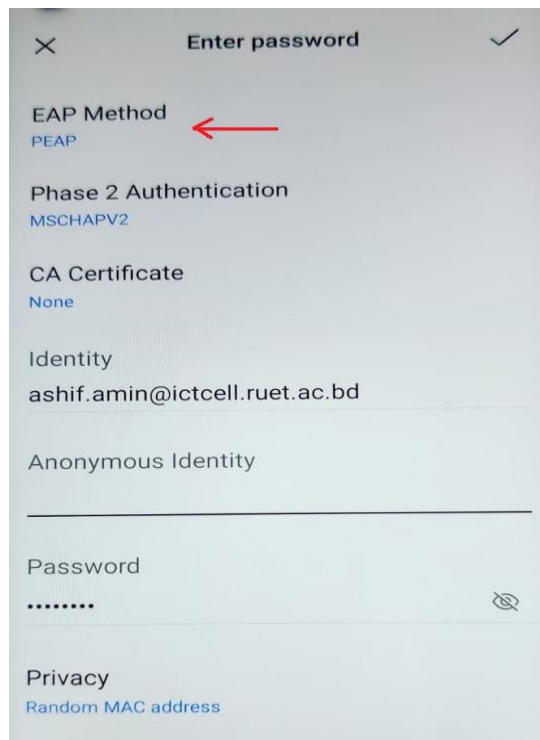

**N.B.:** Only official email ID of RUET domain will be accepted for registration.  
For example : anyone@ruet.ac.bd

3. Select the “**eduroam**” ssid and click connect.

4. Select “PEAP” in **EAP Method** option:

5. Then select "MSCHAPV2" in **Phase 2 Authentication** option:

The screenshot shows a configuration window titled "Enter password" with a close button (X) and a checkmark button. The settings are as follows:

- EAP Method:** PEAP
- Phase 2 Authentication:** MSCHAPV2 (indicated by a red arrow)
- CA Certificate:** None
- Identity:** ashif.amin@ictcell.ruet.ac.bd
- Anonymous Identity:** (empty field)
- Password:** (masked with dots, with a toggle icon)
- Privacy:** Random MAC address

6. Select "None" in **CA Certificate** option:

This screenshot is identical to the previous one, but with a red arrow pointing to the "None" option under the "CA Certificate" field.

- EAP Method:** PEAP
- Phase 2 Authentication:** MSCHAPV2
- CA Certificate:** None (indicated by a red arrow)
- Identity:** ashif.amin@ictcell.ruet.ac.bd
- Anonymous Identity:** (empty field)
- Password:** (masked with dots, with a toggle icon)
- Privacy:** Random MAC address

7. Enter your registered **user ID** in **Identity** field:

The screenshot shows a mobile application interface titled "Enter password". It contains several configuration fields: "EAP Method" set to "PEAP", "Phase 2 Authentication" set to "MSCHAPV2", and "CA Certificate" set to "None". The "Identity" field is filled with the text "ashif.amin@ictcell.ruet.ac.bd", and a red arrow points to this field. Below it, the "Anonymous Identity" field is empty. The "Password" field is masked with dots and has an eye icon to toggle visibility. At the bottom, the "Privacy" field is set to "Random MAC address".

8. Leave **Anonymous Identity** field blank:

This screenshot is identical to the one above, showing the "Enter password" screen. The "Identity" field contains "ashif.amin@ictcell.ruet.ac.bd". A red arrow points to the "Anonymous Identity" field, which is currently blank, indicating it should be left empty.

9. Enter your password (Given in step 2 registration) in **Password** field:

The screenshot shows a mobile application interface titled "Enter password". At the top, there is a back arrow on the left and a checkmark on the right. The settings are as follows: EAP Method is PEAP; Phase 2 Authentication is MSCHAPV2; CA Certificate is None; Identity is ashif.amin@ictcell.ruet.ac.bd; Anonymous Identity is empty. A horizontal line separates the top section from the bottom section. In the bottom section, the Password field is masked with dots, and a red arrow points to it from the left. To the right of the password field is an eye icon. At the bottom, there is a Privacy section with the option Random MAC address.

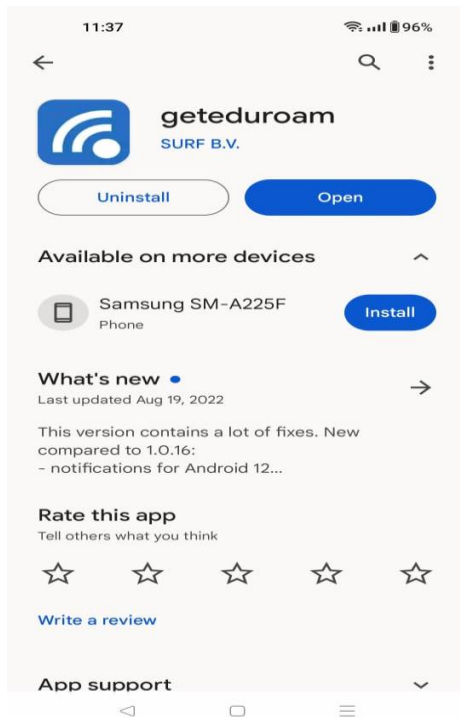

10. Finally Click on connection button to enjoy **EDUROAM** wifi Network:

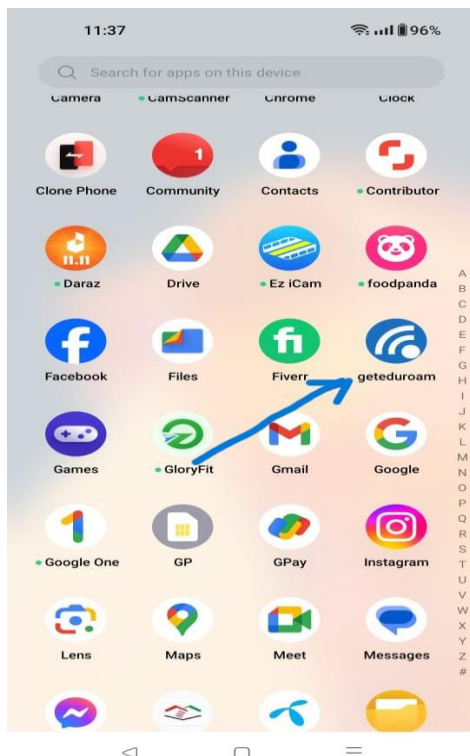

This screenshot is identical to the previous one, showing the "Enter password" screen. However, a red arrow points to the checkmark icon at the top right, indicating the connection button.

**\*\* In case of connectivity problem issue please follow the below steps: \*\***

11. Go to google play store and find the “geteduroam” app as following:

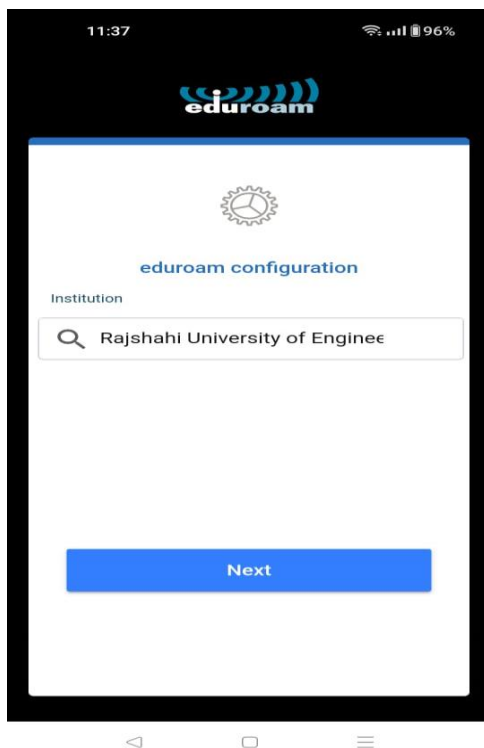

12. Install the app and open it as following:
